SAIL FREO 2025

NOTICE TO COMPETITORS (NTC)

NOTICE TO COMPETITORS No.5

EVENT COMMUNICATIONS

Please be advised that **the Official Notice Board remains the primary source of all event communications**. All competitors are responsible for regularly checking the Notice Board for updates, instructions, and official race information.

In addition, **WhatsApp will be used as a supplementary communication tool** to assist with timely updates such as schedule changes, safety alerts, and general reminders.

Key Points:

- WhatsApp messages are **not a substitute** for the Official Notice Board.
- Each team should nominate a representative to join the official event WhatsApp group.
- The group will be **broadcast-only**. Any queries should be directed to the Race Office via standard channels.
- It is each team's responsibility to monitor both the Notice Board and WhatsApp messages.

For access to the WhatsApp group or further information, please contact the Race Office.

For registration to the group, please scan the QR code below:
